ID stamps valid for one year - exception.

(6) Devices that require identification and inspection services stamps to be installed annually shall have such stamps attached prior to placing any device into play and, on or before December 31 of the year preceding

operation for each subsequent year.

Affixing stamps - shipping and packaging.

(7) Identification stamps shall only be affixed to gambling equipment or devices in such a manner as to assure reasonable inspection without obstruction. If equipment is enclosed or packaged within protective materials, the stamps shall be readily visible for inspection without removal of any portion of the protective packaging: Provided, That when more than one device is packed in a shipping carton, this requirement shall not apply if the identification and inspection services stamp numbers of all devices contained in the carton are printed or otherwise noted on the outside of the carton.

Location of ID stamps on equipment/devices.

(8) Stamps and records entry labels shall be affixed in the following manner:

(a) **Punch boards** - on the reverse side in an area that will not obstruct removal of punches: Provided, That if sufficient space is not available on the reverse side, the records entry labels may be wrapped around and/or partially attached to the edge of a punch board in a manner that will not obstruct display of prizes available or other information required by rules of the commission;

(b) **Pull-tabs** - on the face or reverse side of the flare. If placed on the face, then they must be in an area that will not obstruct prizes available or any other information required by rules of the commission;

(c) **Pull-tab dispensing devices** - on the outside of the main body, in an area that is not normally removed and replaced, and in a manner that will not obstruct the view of the pull-tabs available for play. The records entry labels shall not be affixed to dispensing devices and may be discarded;

(d) **Disposable bingo cards** - on the packing label attached to the outside of the shipping carton. Records entry labels shall be attached to the packing slip: Provided, That when a set or collation of cards is packed in more than one shipping carton, the stamp shall be attached to carton number one and the stamp number imprinted on all remaining shipping cartons; and

(e) **Electronic facsimile card table** - on the outside of the main body, in an area that is not normally removed and replaced, and in a manner that will not obstruct the view of the card facsimiles. The records entry labels shall not be affixed to table and may be discarded.

ID stamps shall only be affixed to approved devices.

(9) Identification and inspection services stamps shall not be attached to gambling equipment or devices that do not comply with rules of the commission. If a piece of equipment or a device requires specific commission approval, stamps shall not be affixed prior to such approval.

Licensed owners may purchase ID stamps.

(10) A licensed owner of gambling devices which require annual identifications and inspection services stamps may purchase such from the commission. The licensee shall submit the appropriate fee, along with a form provided by the commission, to obtain the stamps.

Replacing worn ID stamps on pull-tab dispensing devices.

(11) A licensed owner of pull-tab dispensing devices may obtain a commission identification and inspection services stamp to replace an identification stamp affixed to a pull-tab dispensing device that has become unidentifiable due to wear. The fee for replacement of the stamp shall be as required by WAC 230-04-202 and/or 230-04-203. The operator or distributor

shall furnish the following information to the commission:

(a) A copy of the invoice from the operator, distributor or manufacturer for the purchase of the dispensing device in question; or

(b) A complete description of the pull-tab dispensing device, serial number, manufacturer, and the commission stamp number previously affixed to the device, if known.

Recordkeeping and replacing damaged stamps.

(12) Manufacturers shall maintain records that will allow accountability for all identification and inspection services stamps issued to them by the commission for at least three years after they are affixed to devices and sold. This accountability shall be by indefinite retention of unused or damaged stamps or by records as set out in WAC 230-08-025: Provided, That damaged stamps may be returned to the commission and will be replaced with serviceable stamps if they are accompanied by a detailed listing of the damaged stamps and a ten cent per stamp service charge.
